

SALOMEA

Hospitality Rider

We are four musicians. If sound-tecs, drivers etc. join the show, this is discussed beforehand.

Parking close by the venue and accommodation is required for one large band-car.

Backstage/Stage:

For the show, we need 4 bottles of water.

Also, non-alcoholic beverages and beer throughout the evening are appreciated.

We are happy about a backstage with enough space for resting before, after and between sets.

Food:

We like to eat 2x vegan/vegetarian and 2x anything. 4x vegetarian is also fine.

Also, we prefer a healthy, nutritious meal.

Accommodation:

Thank you for 2 single rooms and a double room or 4 single rooms.

Also, individual access to our accommodation is appreciated.

In case of hotel accommodation, please ensure late check out until 1 pm.

Thank you
